William L. "Bill" Eubank III is a railroad man. He was born in Charlotte, North Carolina where his father worked for Southern Railway. Thereafter he moved with his parents, William L. Eubank, Jr. of Amherst, Virginia and his mother Madeline Bagwell of Rome, Georgia, to towns around the south until the early '50s when they settled in Chattanooga. His father retired in 1972 after 34 years with the railroad.

Bill is a graduate of Chattanooga's City High School and the University of Tennessee. While in Knoxville, he met Fay Baugh of Birmingham. They have been married for 44 years. Fay is a social worker at T. C. Thompson Children's Hospital. Their son William IV lives in Chattanooga with his wife Erica and their son William V, and daughter Wendie lives in Atlanta with her husband Marcus Henderson and their children Addison and James.

Upon graduation from UTK with a degree in Business Administration, Bill began his career with Norfolk and Western Railroad in Richmond. Career transfers were made to Roanoke, Buffalo, Chicago and Chattanooga. In 1982, Norfolk and Western merged with Southern Railroad to form Norfolk Southern Corporation, when he returned to Chattanooga as District Sales Manager, and subsequently, National Account Manager. He retired March 1, 2001 with 36 years of service.

While in Chicago, Bill served as President and Chairman of the Board of the Midwest Commerce Club, and was a member of the Union League Club of Chicago. Prior to retirement in Chattanooga, he served on the Board of Directors of the Chattanooga Chamber of Commerce and was a member of Chattanooga Golf and Country Club.

Bill joined the Sons of the American Revolution in 2005, and has since served as John Sevier Chapter Vice President and President, as well as Vice President of the East Region and President-elect for the Tennessee Society. He was elected President at the Annual Meeting in Memphis on April 4, 2009.

Bill enjoys fishing and hunting and is an obedient yardman for his wife. Fay and Bill are members of Rivermont Presbyterian Church in Chattanooga.

CHILDREN OF THE AMERICAN REVOLUTION

DAR/C.A.R. Chair **Fount Smothers**, President **Bill Eubank** and Compatriot **John Hood** of **Col. Benjamin Cleveland Chapter** are surrounded by winners of SAR's C.A.R. Essay contest, and of the "Grandma Says" Awards. The awards are given each year at the C.A.R. Annual Meeting. C.A.R. participants write about a Patriot ancestor with the help of "Grandma". As **Fount Smothers** often reminds us, "it's our grandmothers who first interested us in genealogy because of the stories she told us as children." The contest and related awards have forged a deep bond between SAR and C.A.R. In many respects, it is SAR's best night of the year in Tennessee.

4 Fount Smothers presented a special recognition to past Tennessee Society C.A.R. president Alisha Adams for her contributions to forging the strong bonds between C.A.R. and SAR. Smothers said, "When Alisha represented C.A.R. at the gravemarking ceremony for James Sevier, her remarks inspired SAR members to form the James Sevier C.A.R. Society under the leadership of Watauga Chapter SAR in Elizabethton. Now, James Madison Chapter SAR and Andrew Crockett Chapter SAR are working with DAR chapters in Jackson, Tennessee to establish Pinson Mounds C.A.R. Society to be chartered in 2009. Her leadership will be remembered fondly."

C.A.R. President **Ania Giffin** accepts a Bronze Good Citizenship Medal from President **Bill Eubank**.

C.A.R. Senior President **Renee Robinson** accepts SAR's \$500 donation to C.A.R. from **Bill Eubank**.

PERPETUATING THE STORIES...

ROBERT REICH

Compatriot Bob Reich has also been an avid supporter of Marble Springs Historic Site, the former home site and farmstead of Tennessee's first Governor and the Revolutionary Hero of Kings Mountain John Sevier. Marble Springs is a unique historic site owned by the State of Tennessee and operated by the non-profit Governor John Sevier Memorial Association (GJSMA). It is located in South Knox County on Governor John Sevier Highway, SR 168. Marble Springs is comprised of 38 acres of an original land grant received by John Sevier for his service in the Revolutionary War. It has five period log cabins in addition to archeological features dated to Sevier's occupation. The site is open to the public and is frequented by local schools and history clubs.

Compatriot Reich is a life member of the GJSMA, has served on its Board of Directors and served two terms as President of the Association. Under his leadership in 2004, the Marble Springs Historic site was revitalized after an extended period of dormancy, reestablishing permanent operating hours, installed a full time site manager and conducted extensive site restoration. Bob negotiated a grant from the John Deere Foundation for maintenance equipment including a large gauge tractor for mowing and hauling.

Governor John Sevier

Compatriot **Bob Reich** of Stephen Holston Chapter at Marble Springs.

Under Bob's leadership, a critical land parcel was acquired which preserved a significant piece of the original farmstead and prevented the possibility of commercial intrusion into the historic site. During his tenure, he instigated and coordinated the immensely important environmental preservation of two pristine waterways which run through the site and feed a significant Stock Creek Watershed for Knox and Loudon Counties. The streams were restored to their natural state and environmentally preserved to ensure natural flow and flood mitigation through coordination of Federal and State grants and permits through the Tennessee Stream Mitigation Program. Bob also solicited significant local volunteer labor for additional restoration and preservation efforts.

Today the site is under the care of noted local pioneer re-enactor David Daley, who not only maintains and operates the site, but schedules and promotes regular period oriented events and educational programs. Primary funding for Marble Springs Historic Site is provided by the Tennessee Historic

6 Commission and is noted as one of the most significant historic landmarks in the State, however, as with most discretionary state programs, the funding is under great stress today. Bob has been an active advocate of providing recognition and support of Marble Springs Historic Site within the TNSSAR as well as the local Knoxville Community. Bob's efforts are of particular note with planned John Sevier celebrations at Sycamore Shoals in 2010 that will be hosted by the Tennessee Society SAR and the State of Tennessee will celebrate the 265th birthday. The site is available for functions and guided tours. The Stephen Holston Chapter has

EDITORS NOTE: *This is the first in a series of articles that highlights the valuable contributions of Compatriots across Tennessee who devote themselves to community service and activities that fulfill the SAR Mission to "perpetuate the stories of patriotism, courage, sacrifice, tragedy, and triumph of the men who achieved the independence of the American people..." Their individual efforts is an extension of SAR. Please submit your Chapter's nomination to the editor. The editor will contact you to develop a story for inclusion in a future edition of Tennessee Patriot.*

T. Vance Little

Brentwood historian, author and attorney Thomas Vance Little, 77, died Friday, March 20, 2009.

Well-known for his love of history and genteel ways, Little was the author of several books about Brentwood and Williamson County, the most recent of which was Gently Flows the Harpeth, a collection of his newspaper columns and photographs of the area. A native of Brentwood, where his family has been since the 1700s.

Little received his undergraduate and law degree from Vanderbilt University. He completed graduate work at Northwestern University and Cambridge University in England. For many years, until his retirement, Little served as an attorney at Union Bank and later as a trust and probate officer. "He was a giant in all his fields. It is a loss to so many because he was involved in so much. He was civic-minded. He was a man of many, many talents."

Little restored and lived in the historic Concord House, which was built just after the Civil War. It was the site for many local civic meetings and fundraising events for historic and charitable organizations to which he belonged in Williamson County. He also received many accolades for his wide-ranging volunteer efforts, having been named Heritage Foundation patron of the year, Brentwood Chamber of Commerce citizen of the year and Williamson County Historical Society volunteer of the year, among others.

"He loved the past, but he was always looking toward the future. "He had lots of enthusiasm for life."

Because of his vast knowledge of city history, Little was appointed city of Brentwood historian in 1988. He was a long-time member of Andrew Jackson Chapter SAR and a dual member of Andrew Crockett Chapter SAR.

Past President John Joseph (Jack) Thomas, Jr.

Jack Thomas departed this life on Sunday, March 22, 2009, at age 84. Born in Wilkinsburg, Pennsylvania, he was enrolled at Dickinson College in Carlisle, Pennsylvania when he joined the service during World War II. He was serving in General Patton's Third Army, 95th Infantry Division, when they reached Germany's Westwall on December 6, 1944, where he was severely wounded. Following his service, Jack returned to Dickinson College where he received a degree in chemistry (minor in physics) in 1949. Jack worked as a chemist with the Eastman Kodak Company in Rochester, New York for 35 years.

Following his retirement to the Knoxville area, he was active in many organizations. He was an avid genealogist and a past president of both the Stephen Holston Chapter SAR and the Tennessee Society SAR. He was also an active member of the Kiwanis Club of Knoxville since 1986. Jack was a member of Second Presbyterian Church where he sang with The Joy Singers until his recent illness. He was a loving husband, father and grandfather who will be sadly missed by his family. He is survived by his wife of 58 years, Dorothy; daughters and sons-in-law Kristie and Larry Giordano of Knoxville; Susan Thomas and Scott Olson of Milwaukee, WI; son and daughter-in-law John and Cheryl Thomas of Westford, MA; granddaughters Sarah Leather and Jennifer Thomas; grandsons Brad and Evan Giordano, and Spencer Olson.

"When we come to say 'goodbye' to our loved ones, it is not easy, but if we remember the true definition of the word goodbye, it will make it easier. Our word 'goodbye' comes from the old English benediction meaning "God Be With You.""

How to become an SAR member

Becoming a Member of SAR has two (2) basic requirements as provided in the NSSAR Constitution and By-Laws:

1. Eligibility for Membership
2. Lineal Descent from a Patriot with Acceptable Service

MEMBERSHIP ELIGIBILITY: A male citizen of good repute in the community, is a lineal descendant of an ancestor who was, at all times, unflinching in loyalty to, and rendered active service in the cause of American Independence, in a military capacity, or Patriotic Service as a civilian supporting the military, or holding certain civil offices. Lineal bloodline from the Patriot is required and must be documented. Collateral lineage is not acceptable. Recommendation by two members in good standing is required. *No person advocating the overthrow of the Government of the United States by use of force or violence, shall be eligible for membership in the Society.*

12

GETTING STARTED: An interested person may obtain information about how to contact SAR from a friend who is a member of SAR, SAR, CAR, or SR, or from the SAR Web-Site, 2. The SAR Web-site: <http://www.sar.org>.

A. A list of SAR Chapters in each State is listed on this Web-site, and an applicant may contact an officer of a Chapter near his home.

B. Each State has a member who is designated as the “New Member Helper”. In most States, this is the State Registrar and he will direct an applicant to a Chapter where the applicant lives, or the nearest Chapter, and forward the inquiry to that Chapter. The Chapter will be responsible for assisting prospective members with the application process.

PREPARING AN APPLICATION: An applicant may obtain a “working copy” of the application form from the Web-site or from the Chapter through which he will apply for membership. The Chapter Registrar will work with the applicant who will provide the data and proof documents. The Registrar will prepare the final application using SAR software, on a special watermarked paper. He will advise the applicant of the application fees, which include the first year dues. The Chapter Registrar will forward the application to the State Registrar for review and further processing at the National Level.

WHAT IS NEXT?: An applicant will be a member of the Chapter which is preparing his application. He should visit that Chapter at its meetings, be introduced as an applicant, and meet the members. Approval may take up to two (2) months to process, and he will then be presented as a new member, given his membership credentials, and given an opportunity to participate in Chapter activities.

SPIRIT OF '76—TIMOTHY E. MASSEY

COMMANDER IN CHIEF, DESCENDANTS OF WASHINGTON'S ARMY AT VALLEY FORGE

Timothy E. Massey at Sycamore Shoals

Tim Massey is a member of Watauga Chapter SAR. To say he is an active member would be an understatement. Tim is an example for all SAR members because of his exuberant love of history, and because of his eagerness to share his abundant knowledge about our forefathers and the challenges, as Fount Smothers often reminds us, *“of those brave men and women who came to this Tennessee wilderness with little more than their raw grit and determination and proceeded to claw out a gracious society of which WE are the recipients.”* SAR’s mission is to perpetuate these stories, and it might be Tim Massey who does this best in Tennessee.

His leadership within the Watauga Chapter SAR, the Overmountain Victory Trail Association, and current service as Commander-in-Chief of the Descendants of Washington’s Army at Valley Forge is an inspiration to all who know him and observe his leadership in history.

Timothy E. Massey at Mary Patton’s gravesite

Timothy E. Massey and Ronnie L. Lail at Guilford’s Courthouse, 2009

Tim Massey leading students to the gravesite of Captain Robert Sevier who was shot at Kings Mountain and died afterwards as he was being carried by to Watauga. He was a brother of John Sevier. The site is along the Overmountain Victory Trail at Spruce Pine, North Carolina. A memorial service is held there each year by the OVTA.

EDITORS NOTE: *As in the land of OZ, behind the curtain in every Chapter there are Compatriots whose participation and leadership add aura to their Chapter and to SAR. Usually serving without office, these Compatriots make contributions to the Chapter and to the SAR that are so worthwhile that a Chapter’s identity is often shaped by their contributions.*

This is the fifth in a series of articles that highlights the valuable men and women across Tennessee who possess the “Spirit of ‘76” - Compatriots who step forward and do the job that needs to be done, just because they can. Please submit your Chapter’s nomination to the editor. Upon selection, the editor will contact you to develop a story for inclusion in a future edition of The Tennessee Patriot.
